EDUCATION

Bachelor of Education (B.E.) Elementary Education

University of Syracuse, New York, NY
September 2009 – June 2013

KEY SKILLS

- Education Administration
- Holistic Learning
- Team Management
- Student-centered Learning
- Diversity, Equity, and Inclusion (DEI)

CERTIFICATIONS

- Elementary Education Certification, State of New York, 2013

An innovative Elementary School Teacher with 10+ years of experience specializing in holistic learning, differentiated instruction, and individualized education plans (IEPs). A proven track record of developing elementary teachers to improve the quality of education and drive student engagement with course materials.

PROFESSIONAL EXPERIENCE

Elementary Teacher

Carlson Elementary School, New York, NY | August 2016 – Present

- Deliver engaging lessons to classes with 20+ fifth-grade students using a variety of teaching methodologies, including holistic learning, project-based learning, hands-on learning, and cooperative learning techniques
- Tailor lesson plans to individual student needs, conduct student assessments, and develop strategies to facilitate academic growth, resulting in a 15% increase in GPA averages
- Serve as Grade Level Chair for three consecutive years, manage and develop a team of six teachers, and provide coaching and mentorship to drive professional growth

Elementary Teacher

Taylor Elementary, New York, NY | August 2013 – June 2016

- Taught English, Math, History, and Science courses to fifth-grade students with a wide range of competencies and learning needs, incorporated differentiated instruction and holistic learning techniques, and improved academic growth rates
- Oversaw curriculum mapping, analyzed student performance data, and coordinated with faculty to ensure alignment with Common Core State Standards
